

NEWSLETTER JANUARY 2014

HAPPY NEW YEAR 2014

It's a New Year and the 134th Assault Helicopter Company NEWSLETTER has a new look. In an effort to keep our newsletter content interesting and visually appealing I've opted for complete redesign.

A LITTLE HISTORY

As written in our Unit History, the 187th Transport Airplane Company was formed on 11 February 1963. Shortly thereafter the numerical designation was changed to the 134th Aviation Company. On 17 February 1967 the 134th AHC was reactivated. Our unit is turning 47 years old.

134TH AHC CHALLENGE COIN

134th Assault Helicopter Company Challenge Coin Project

There are still plenty of coins in stock. The ordering process is quite simple. Just email me the number coins you wish to order along with your mailing address. My email address can be found in the footer of each page of the newsletter. Once the order is received I'll send you mailing instructions. To avoid delay, checks should be payable to me and mailed the same day. Once payment is received the coin goes out in the mail usually the same day. The coins are \$30 each.

A QUESTION FROM KARL R. RENZ III

I am restoring helicopter 66-16319 which was in the 134th in 68-69. Does anyone have the nose art and who was the crew at that time? I will be bringing it, with a lot of luck, to the reunion in flyable condition.

Last month I sent this question from Karl but didn't give any contact information. His email address is: helikarl@aol.com

Since Karl's question in the December newsletter, Jeannie Cowan provided pictures and the following crew information. Thank you Jeannie.

CE Harold Shonk 4/67-10/68

CE John Web 1968

DG Bill Ogden (KIA 2/6/69)

CE Nat McClain

AC Mel Bailey

CE Rick Pemberton 1/69-1970

If anyone has pictures or additional information please contact Karl.
