Good afternoon 134th Assault Helicopter Company families,

The following are recent changes or upgrades to our website.

1. First, sadly added Deceased submissions to the Last Flight Check page. Recently added Steve Gasper and Otis Roberson's passing.
2. With the help of a family friend we managed to fix the offset menu issue that has been plaguing me since September last. The submenus now fall directly under the menu system. All menu items have since been upgraded.
3. Added a number of new Then N Now photos now totaling 55. Also corrected a number of errors on some pages. Thank you for your patience and submissions.
4. Currently updating the Tail Number section. Many of the tail numbers were mismatched with the links. This section is currently being upgraded.
5. Made some menu changes by moving items such as Then N Now, 134th Guestbook, added to AHC links. Also contacted other AHC unit webmasters to add our site link to their websites.
6. Updated our About Us, and Mission Statement pages. Added Unit Patches links..
7. Upgraded the Definitions of terms and Statement of Service pages.
8. Added a Group Photos page found under the Reunions page.
9. If you are a DFC, Silver Star, Bronze Star, and Purple Heart recipient please contact me to have your name added under each Medal.
10. Upgraded the Battle of Cung Son stories.
11. Modified the Unit Roster pages by correcting a number errors.
12. Corrected errors on the Unit Challenge Coin page.
13. Corrected errors on the Roster Update page.

Looking for errors is a daily task and am asking for your assistance. If you find an error please contact me with the error and it's locations. If you have a Then N Now photo you'd like to have posted please send them to me as email attachments. Feel free to send in-country photos anyway you wish, cd in snail mail, email attachments, etc.

Our site is now in its 25th year. The rewrite began last September. I still get a great deal of satisfaction in maintaining a web presence and keeping our stories alive. Most of all the site is a beacon to reconnect brothers.
