Good afternoon 134th Assault Helicopter Company families,

LZ Philadelphia 2022:

If you have not already done so, please send your filled-out reunion registration form to the Reunion POC, Paul Maryanski. Time is running short, reunion dates are September 14th-18th, 2022. VERY IMPORTANT: You must book the hotel blocked rooms by August 21st for the special pricing. A list of those already registered can be viewed by clicking Reunions, LZ Philadelphia 2022, Registrations Received.

Helicopters on Display:

Today, July 25th, 2022, I created a new page called Helicopters on Display. There are only 4 photos right now but I'm sure this will increase. These photos are of 134th Assault Helicopter Company aircraft that have been restored and are on display in various locations across the nation.

Email Distribution List:

Our email distribution list continues to shrink. After sending this newsletter out I received 4 more bad email address messages. If your email address has changed in the past couple of years, please use the Roster Update page on our website to update all contact information. You can also contact me through the Contacts then Mail Room option on our website. Thank you.

Then N Now:

I found a number of photos of you guys in my archived files taking us up to 88 Then N Now pages. If your photos are not posted there and you'd like to see them there, please attach photos to an email addressed to me. If you do not have my email address contact me through FB messenger or the Mail Room on our website.

Newsletters:

Added a link to a new page called Newsletters found under the About Us menu option. I was going through some of my archived files and found a number of newsletters which are now posted.

About Us/A Word:

Updated the About Us page as well as added a new link to the "A Word" page. The A Word page contains a message from me to you in regards to how our site evolved.

Reunion Pages Update:

For the past month or so I have been updating all 18 of our annual reunion pages. A link to Reunion Group photos has been added.

Facebook:

The 674 Dedication took place in Overbrook, KS on July 24th, 2022. Photos of the Dedication are now available for viewing on our Facebook page as well as our website (<https://134thahc.com>). Photos were provided by Carman and Bette Branch.

In Planning:

I'm planning a new page containing photos of unit aircraft that are on display around the country. I'll be starting with the Essex, MD Mike model 238, 674 in Overbrook KS and 325 located in Daleville just outside of Ft. Rucker, AL. If you know of the location of any of our aircraft please contact me.
