Good afternoon 134th Assault Helicopter Company families,

Newsletter: In the past I've updated you all with the newsletter as an email attachment. Now I just send it out in the form of an email update. I will continue to post the update I send you, on our website under the About Us option as well. I used to do this on the old site but can't seem to find copies of the newsletters in my archive. I will keep looking though. BTW, I will also notify you on our FB page (134th Assault Helicopter Company) when a newsletter goes out.

I've been asked what the number in *parentheses* on the subject line was for. It is the distribution list number which contains your email address.

LZ Philadelphia 2022:

In 27 short days we will once again gather, this year in Philadelphia, PA. The POC for this reunion is Paul Maryanski (paulmaryanski@yahoo.com). Paul and I have had regular phone conversations about the reunion since it was first posted. If you have not yet downloaded and filled out the registration form for the upcoming reunion, I have attachment a copy for your convenience to this email. Just a reminder; the special hotel pricing is only good through the 1st of September. Please book by then using booking code 134th AHC.

Reunion Photos: I'm looking to add photos taken at previous reunions. You'll notice the number of photos for the Branson 2017, Tulsa 2018 and San Antonio 2019 are a bit scarce. Again, no need to edit photos, just send them as email attachments.

In Country Photos: Hoping to get more in-country photos that you guys may have. Please send them as email attachments for posting. No need to edit them, I'll take care of that for you.

Menu Map: This new menu option can found under the 134th AHC menu. At a glance you can view all the major menu options and sub menu options.

Email Distribution List:

I believe I mention this each time I send a newsletter. Lost a couple more email addresses this month due to failed delivery error. If your email address has changed in the past couple of years please use the Roster Update page on our website to update all contact information. You can also contact me through the Contacts then Mail Room option on our website or email me at hans.underwood@comcast.net. Thank you.

Then N Now:

I found a number of photos of you guys in my archived files taking us up to 89 Then N Now pages. If your photos are not posted and you'd like to see them there, please attach photos to an email addressed to me. If you do not have my email address contact me through FB messenger or the Mail Room on our website or look in the last line of the last paragraph.

About Us/A Word:

Made some corrections/changes to the **About Us** page as well, I added a new link to the **AWord** page. The AWord page contains a message from me to you in regards to how our site evolved.

Helicopters on Display:

There are a number of our ships on display around our great country. I'd like to post photos of all of them. With your help this can be accomplished. So far we have 4 which can be found under the **About Us** menu.

Facebook:

I will continue to post our brothers obituaries as they become available on our Facebook page. Additionally, the obituaries can be found under the **Remember** menu option. If you receive notification of a brother passing please let me know.

In Planning: Nothing to post on this topic except our reunion takes place in Philadelphia on the 14th of September.

Comment and Suggestions:

Time spent on our story: You may think I spend 24 hours a day working on our site and you'd be right. If I'm not physically coding, I'm thinking of new things to add. I even wake up in my sleep and write things down in a note pad on my night stand. I occasionally get new ideas in my sleep. Writing code is just something I really enjoy and it is a good mind exercise. Remember, our site is only as good as the limits of our imaginations allow. If you find an error on any of our website pages please contact me.

Feel free to send comments and suggestions anytime.
