THIS YEAR IS OUR CHANCE TO GET “UP CLOSE AND PERSONAL” WITH A HUEY HELICOPTER, ONCE AGAIN! A Huey helicopter and crew will be flying into Granite Falls Airport just for our 2023 Reunion!! The chopper and crew will be available to show us their restored Huey both FRIDAY and SATURDAY! We will have a couple of days to enjoy looking over the chopper, and talking with the crew. It should give us some fun new memories, and bring back lots of old memories! (And maybe a few tears, too.) The airport is just a couple of miles from the Casino / Hotel where we will all be staying. Our Hospitality Suite will also be located in the Hotel, where we can bring our own snacks and refreshments! So, bring along some of your favorites, if you'd like! We'll try to have a variety of things on hand, as well. The airport also features a WONDERFUL WWII MUSEUM, with lots of working planes and equipment from WWII! We think you'll find the FAGEN FIGHTER'S MUSEUM to be a World Class Museum! (Even though it's located in small town America!)
